

## ABOUT US

**College of Health and Safety** is an institution that is strategically positioned to help organisations tackle occupational health and safety hazards in organisations through training of professionals in health and safety and provision of professional services meant for that very purpose, ranging from consulting, due diligence, consulting reviews, and developing systems for organisations. It is a 100% Lesotho College of health registered with the Ministry of Education and Training under the provisions of Section 37 of the Higher Education Act of 2004.
